Add Licenses to Wave

Last Modified on 09/30/2015 1:06 pm EDT

1. Login to Wave. (see [Login to Wave IP Global Administrator](#)).

2. From here there are two options:
   - Add licenses with a License File (see [Import License File](#))
   - Add licenses with a License Key (see [Manually Add License Key](#)).

3. After adding licenses, activate them (see [Activating Wave Licenses](#)).
