

# Voicemail

Last Modified on 11/12/2020 6:36 pm EST

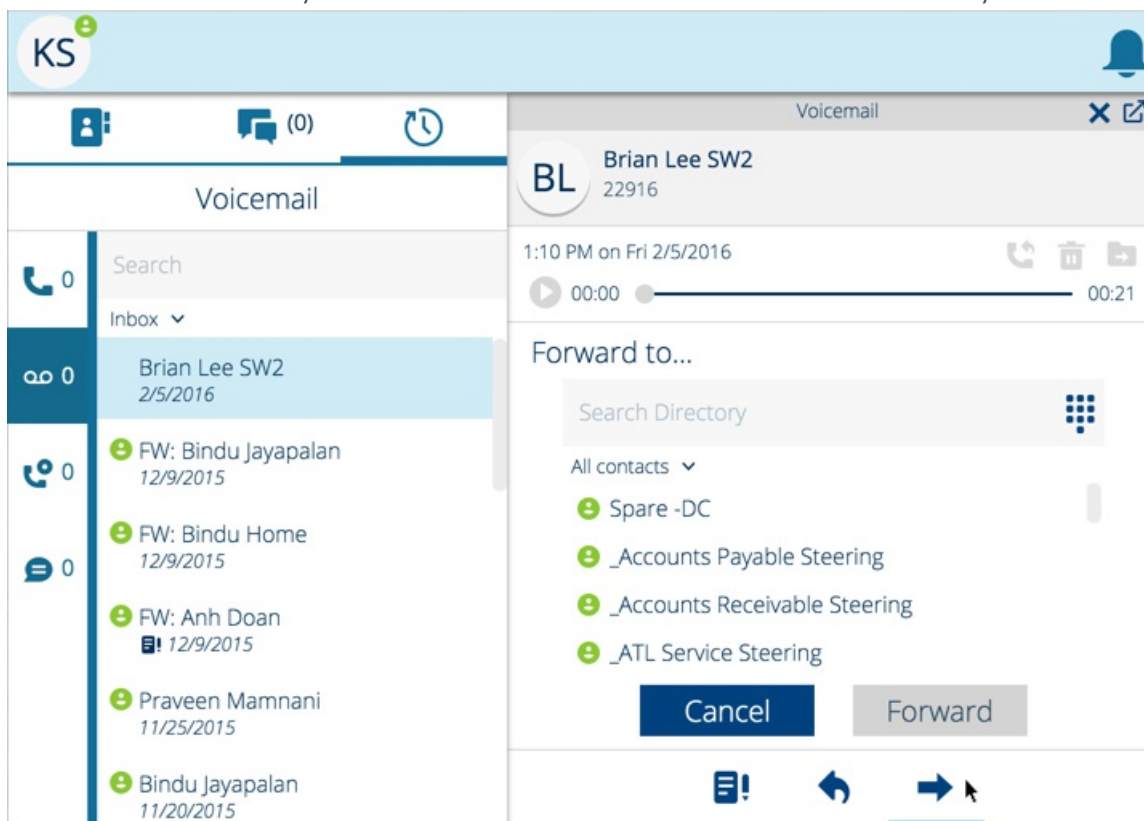

You access your voice messages on your ViewPoint Web [History](#) tab.

Click on an entry in your Voicemail list to listen to the voicemail, view details about call participants, and write up related [call notes](#).

You can choose to forward your voicemail on to another contact with the Forward tab in your voicemail window.

You can also choose to record a reply to your voicemail with the Reply tab in your voicemail window.
