

Make a Call

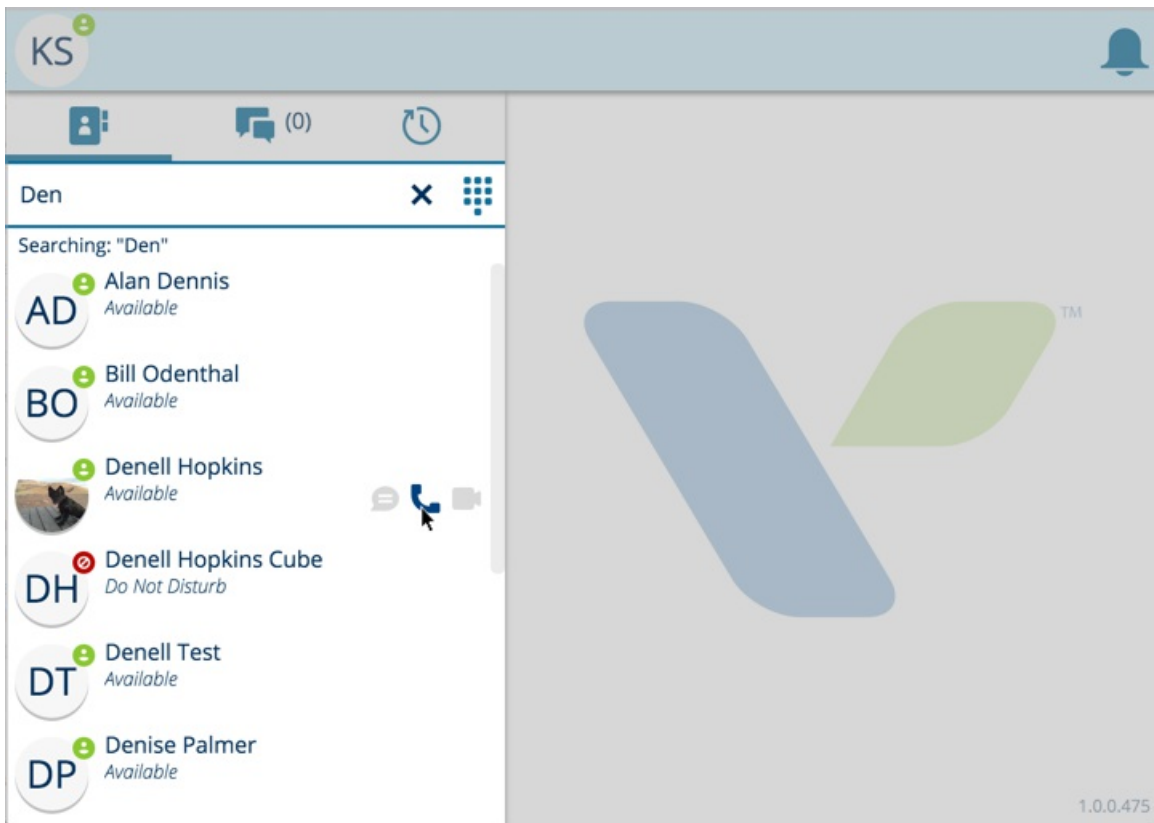

Last Modified on 11/12/2020 6:57 pm EST

You can make a VPW call in a variety of ways:

- Hover over a card in your [Directory](#) list, and then click on the phone icon.

You can also search your directory list to narrow down the person you want to call.

- Use the [Dialpad](#) to call any number you like.
- [Click to dial](#) a phone number on a web page using your Chrome browser
